welcome

Welcome to Meldon Park's 4th Annual Female Sale.

Meldon Park have on offer 35 pure registered Simmental heifers for your perusal, also 10 top shelf unregistered heifers will sell at the end of the sale.

An exciting opportunity to invest in tried and tested traditional Simmental genetics.

After 41 years of breeding stud Simmentals we are extremely proud of our females and how they produce the type of animal that we know Queensland commercial beef producers want!

The sale heifers descend from cow lines that have produced Show Champions, Sale toppers and replacement heifers over many years.

We would like to thank the Passmore Family for the opportunity to sell at the Benjarra Sale complex.

Regards,

Rod and Lis Skene and family
